Water Lubricated Oil-free Screw Compressor

- 100% Oil Free compressed air
- Screw Airend made of SS
- Cooler with blower for energy saving
- Better after-sales & service network

Frank Oil-free screw compressors are designed for continuous operations specifically for Oil-free applications. Our screw airends are made of stainless steel and energy efficient large size blower is used for better cooling which maintains water temperature low. A permanent Magnetic motor is fitted with d lesser power cost.
